## A World-Class Golfing Experience

Perched dramatically on cliffs overlooking the Indian Ocean, Pinnacle Point Golf Course offers one of the most visually spectacular and exhilarating rounds of golf on the planet. Designed by renowned course architect **Peter Matkovich**, this **par-72** coastal masterpiece is often ranked alongside global icons like Pebble Beach (USA), Old Head (Ireland), and Kauri Cliffs (New Zealand).

From every tee box, golfers enjoy sweeping ocean views - seven holes run along the cliffs, with four requiring breathtaking shots over the ocean and ravine. Even inland holes offer stunning vistas, seamlessly blending into the landscape. As golf writer George Peper put it:

*“Set on more jaw-dropping terrain than Pebble Beach and a much better course than Old Head... engaging, exhilarating golf with no silly holes.”*

Due to its dramatic terrain, Pinnacle Point is a cart (GPS equipped) course - offering comfort and pace through its elevation changes and ravine crossings with the first three holes climbing sharply uphill, setting the stage for a thrilling round.

## A Destination of Distinction

Located in Mossel Bay, just 30 minutes from George Airport and equidistant from Cape Town and Port Elizabeth, Pinnacle Point is both accessible and exclusive. Since its opening in 2006, the course has graced the covers of top golf publications and helped elevate the Garden Route alongside other top-tier courses to global golfing fame. The estate's newly revamped **clubhouse (2024)** offers the **upmarket Cliffside Restaurant & stylish Pinnacle Bar & Lounge** with panoramic views (reserved exclusively for homeowners, golf members, and golfers on the tee sheet).
